Safety Measures

As this is an outdoor activity by the beach, the school has taken active steps to ensure the day is a safe and fun day. This includes the engagement of life guards, ambulance and additional event safety officers to patrol the beach. We are also educating our students and staff to maintain hydration and ensure sufficient sun protection. There will not be any water-based activity during the Family Day.

In the event of bad weather and the event is dismissed early or called off, the school will push a notification out to all parents who are in the School SMS Databank. If you have not signed up for the SMS service and would like to do so, please inform the form teacher of your child/ward.

Dismissal Time

Pupils will be dismissed at 1200 hrs from Palawan Beach. Form Teachers will take one final attendance and officially dismiss the whole class at the designated picnic spot allocated to the class. If you are picking up your child at the venue, please wait in the parking lots next to Palawan Beach. You can arrange to pick your child up from there after he/she has been dismissed.
